

URJ CAMP NEWMAN Trail Map

Mogen David: .3 Mi

Start at the Upper Sports Field next to cabin108 and follow the trail signs as you gain over 200ft of elevation for a birds eye view of camp.

Rish Overnight: .6 Mi

Start at the entrance of camp and begin on the road out past the parking lot to our back country. Most of this trail is flat, but there is some elevation gain towards the end. This will take you to a small clearing used for overnights.

OKY: .95 Mi

OKY was once home to our Kibbutz program. This flat trail leads to a beautiful canyon with a small lake, yurts and several picnic tables.

Adventure Mountain:

Includes our 55ft climbing tower, high ropes skypark, and archery range.

Har Nof: .4 Mi Uphill Trail

In Hebrew "The Lookout". This uphill hike leads to a beautiful overlook of the backside of our property and the incredible Sonoma hills beyond. Built-in benches for 40 await you at the peak.

Overnight Site: 1.4MI

This large site provides unbelievable views, camping, sunsets, and stargazing opportunities. Total elevation gain is 430ft. You can access this site two ways. Head down the road from the entrance of camp towards our backcountry, or hike up the hill to Har Nof, down the Rishodream trail and connect back to the trail near OKY.
